GOVERNMENT

SUMMARY INSPECTION REPORT | JANUARY 2019

Excellent

exceptionally high quality of performance or practice.

Good

the expected level for every school in The Cayman Islands, both public and private.

Satisfactory

the minimum level of quality required for The Cayman Islands. All key aspects of performance and practice in every school should meet or exceed this level.

Weak

KEY STRENGTHS OF CREEK AND SPOT BAY PRIMARY SCHOOL

- Students' positive attitudes to learning, their good attendance and behaviour;
- The good range of extra-curricular provision which widens students' choice, interests and achievements;
- The effective support provided to students with a range of special educational needs and the significant specialist and professional support which enables those students to make good progress;
- The success of school leaders in addressing the recommendations from the previous inspection report.

RECOMMENDATIONS FOR CREEK AND SPOT BAY PRIMARY SCHOOL

- Ensure greater consistency in the quality of teaching, so that a larger proportion of lessons is good or better;
- Review and improve the primary curriculum so that students' knowledge and skills are developed systematically and the content is in line with curriculum expectations both locally and internationally;
- Implement health and safety policies more consistently across both sites, particularly in relation to access;
- Develop a comprehensive approach to healthy eating so that students are helped to make better choices with regard to nutrition during the school day;
- Ensure that monitoring and evaluation processes are rigorous and robust in order that they can be used more reliably to inform practice and improve the academic outcomes of all students, particularly those capable of higher levels of achievement.

WHAT HAPPENS NEXT?

As Creek and Spot Bay Primary School is judged to be providing a satisfactory quality of education, there will be no further inspections of the school until the next round of inspections which will commence in September 2020.
